PUBLISHED ANNUALLY

BY THE

STUDENT BODY

OF

CORONA UNION

HIGH SCHOOL

FOREWARD

This volume is the result of many thoughtful hours. We have emphasized the beauty of the campus together with the countless activities in which the students have had a part. In the selection of birds as a theme, we have chosen a subject intimately connected with the lives of all of us who are fortunate to claim some part of Southern California as our home.

May these pages recall memories of pleasant associations and rich experiences, which, in years to come, will be the source of encouragement and inspiration.

Mr Lawrence Thome

Dedication

Throughout our High School days, made up of happiness and sorrow, success and failure, of smiles and tears, of friendships won and friendships lost, lingers the memory of a teacher who has helped us cross the hazards and who inspired us to greater heights. It is to him, Lawrence G. Thome, jolly, understanding, and sympathetic, that this issue of THE CORONAL is sincerely and affectionately dedicated.

*"No royal road to learning,
No great highway,
Leads to the heights of knowledge, but deviously
All paths lead toward them, if walked with seeing eyes
And steadfast mind, to note where knowledge lies."*

*"The kiss of the sun for pardon,
The song of the bird for mirth,
You're nearer to God's heart in the garden
Than any where else on earth."*

"Among the changing months, May stands
confessed
The sweetest, and in fairest colors
dressed." -Thomson.

" 'Tis education forms the common mind,
Just as the twig is bent, the tree's inclined."

*"The love of learning, the sequestered nooks,
And all the sweet serenity of books."*

-Longfellow

*"A day of such serene enjoyment spent
Were worth an age of splended discontent"*

-James Montgomery

"The nation that has the schools has the future." *-Bismark.*

"Night is the time for toil:
To plough the classic field,
Intent to find the buried spoil
Its wealthy furrows yield,
Till all is ours that sages taught
That poets sang, or heroes wrought."

-James Montgomery.

G. LEE OGDEN

The 1937 Coronal marks another milestone in the efforts of Corona High School students to record in pictures and in writing a history of the year's activities. Our students have worked hard this year and have left a fine record of achievements, most of which have been reproduced in this book. The Coronal staff may feel proud of its work.

G. LEE OGDEN,
Principal.

Mr. Frank E. Bishop

Each year seems to bring greater responsibilities and greater honors to our Senior High School!

The unionization of our high school and the addition of Smith-Hughes vocational agriculture are two important events this year. Scholastic attainments hold first place along with honors in debate, athletics, agriculture, music, oratory, drama and commerce.

The student body, its executive board, faculty, administrators, board of trustees, townspeople and parents have assisted and cooperated in making our high school a practical training ground for adult living by enabling us to offer our students every possible opportunity to experience and develop normally for their activities as American citizens.

The 1937 Coronal portrays through picture and printed page this past year's activities in reaching toward that high standard ever typical of Corona Union High School.

BOARD OF EDUCATION

Our High School is now officially designated and known as the Corona Union High School. This action was taken a few months ago, at the request of the Sacramento office of the State Board of Education, through the office of the County Superintendent of Schools.

Whenever a High School District is composed of two or more Elementary School Districts it becomes a Union District. This has been the condition in our High School District for many years; but action to officially establish it as such, had never been taken.

A Union High School District also requires a Board of Trustees of five members. The two additional members of our Board were appointed by the County Superintendent of Schools, following the designation of the Union District.

CLASS HISTORY

- September 1933 What a big place this is! What lots of people! And I hear that they are going to initiate us! Oh dear. It's a good thing that this is a large class.
- October 1933 Well that's over with. We elected Bob Pierce president. He's good looking, and what an athlete! Rally Night was fun. We put on a stunt, too, along with the rest of the classes.
- June 1934 What a Year! Besides all our athletic geniuses, we furnished three of the five members of the debate team.
- September 1934 My, but the freshmen are little this year. Poor things. Walt Tilson is our new president.
- October 1934 Another stunt for Rally Night. We're improving.
- January 1935 Interclass champions in basketball. We even won from the high and mighty seniors.
- April 1935 The "X" track team wins the championship. Most of its members are from our class. Why of course!
- September 1935 President Dean Walker. That sounds impressive. This time we are the important people. Right off the bat the seniors entertain us with a party at the Legion Hall.
- November 1935 Lester Tison has "Growing Pains" along with Doris Gorrell. They are the leads in the junior play directed by J. D. Moore. It was a great success even if we do say so ourselves.
- January 1936 Another interclass basketball championship.
- April 1936 Austin Ranney, our oratorical genius, and his partner win the state debate championship for Corona. Now, isn't that something?
- May 1936 The Junior-Senior banquet at the Mission Inn, and a dance afterwards in the patio of the Inn. I'm so thrilled!
- June 1936 We help get the seniors out of the way, ushering them down the aisle at Baccalaureate, etc.
- September 1936 We must preserve our dignity, but it's rather hard with no freshmen to practice on. They're still at Junior High. Under Mary Ganahl's leadership we entertain the juniors at a party in the Woman's Club House, with games, dancing, and refreshments. Those boys drank gallons of punch!
- December 1936 Barbara Brownfield, the Girls' League president is crowned queen of Corona High School at the colorful Ill-Jinx ceremony.
- January 1937 This was a real ditch day. Snowy and cold all day long, and plenty of adventure what with wrong chains, etc.
- February 1937 The Poor Nut, Frank Porter. No, I mean that was the name of the senior play, directed by Mr. Ettleson. Georgia Borden was the leading lady.
- April 1937 We still have a lot of good athletes in this class.
- May 1937 Junior-Senior Banquet. We are the ones who are entertained this time.
- Another party? The P.T.A. garden party for the seniors and their parents.
- June 1937 Am I all in! Whew! Baccalaureate, Class Night, Commencement, and Senior Breakfast. But it was heaps of fun! Things are going to seem awfully dull now

1937

CLASS PROPHECY

The future clears, and I see visions of all the fates, both fearful and wonderful, which lie in wait for the members of the class of 1937.

Brian Mahoney, having just cracked the world's Model T speed record by setting a new one of 43.37 miles per hour, has accepted a contract to sell the new Model T town car which Robert Francisco, now manager of the Ford industries, claims will rival the Packard.

Robert Honor's new studios, especially bolstered up by a strong scenarior department, have just announced the re-signing of William "Hotfeet" England, the man who made them forget Astaire. The studio's main attraction, matinee idol George Prentice, because of his total indifference, has just caused his leading lady, Mary Crippen, to announce that she will abandon all and retire to a feminine mountain retreat run by Margaret Straszacker with the assistance of Flora Mae Brooks and Mabel Hase.

Robert Meierding, the eminent fingernail specialist, has as patients in his famous clinic, such notables as Dale Criefette, leading mannequin from "Smoothie" Robert Bomar's exclusive dress shop, Richard Fitch, who needs only perfect fingernails to be a successor to Charles Atlas, and the two song birds of the air, Edith Graham and Doris Christian.

It is said that Austin Ranney, the most unscrupulous lawyer in the country is preparing a brilliant defense for Gayle Anderson, the successor to Walter Winchell, in a \$23,000,000.57 libel suit as a result of some of his radio broadcasts. He "only heard"; that Leo Lyons was still awaiting the graduation of a certain winsome miss; that Billy Newhouse, the eminent scientist whose discovery of a cure for death and taxes has made him the talk of the nation; has finally outwitted the crowds of suitors collected at Jane Painter's convention hall, and that the marriage will be performed in the near future by Bishop Arno Haying.

The great artist, Vera Paynter, is recovering from a nervous breakdown caused by too much publicity. Her nurses, Dorothy Paden and Caroline Geith, say that she is doing quite well, considering. Another convalescent is Jean Beggs, the seamstress, who swallowed two tacks and her best needle while making alterations on Georgia Belle Borden's air-tight suit which she will wear in her attempt to break stratosphere records. Her co-pilot, Mary Britt, is a bit worried over the repair jobs done on the balloon by master mechanic, Tony Bollero. The accident which made them necessary occurred when Dorothy Chambers, glamorous society leader, smashed into the balloon with her super-charged Model T, while joy riding with her well-known friends, Lupe Cervantes, aquatic star, Lois Walker, author, and Lucinda Mitchell, noted equestrienne.

Butcher Earl Collings, Baker Gerald Chaffin, and Candlestickmaker Jimmy Stewart are vainly trying to break up the happy home of Mr. and Mrs. Frank Porter. One guess as to who the missus is.

Hovis Bess has been employed by the stables of the wealthy Russell Murphy to keep the horses from getting swell-headed. It is said that he trims them regularly over the huge track, run and owned by two sportsmen, if ever two lived, Kenneth Ryeraft and Roy Hardison. Their library of sports data on race results is kept in perfect order by Jennie Belle McClelland and June Spencer. Both girls have become wealthy, but not from horse races.

In the world of sport, Remi Chagnon has just set a new major league record by fanning twenty-three men and knocking five home runs in the same game. It is said that Manager Melvin Jackson is going to sell the rest of the team, except the catcher, Travis Lund, because they are useless with Remi on the team. The only batter that gives Remi any trouble is John Cunningham because he swings with his eyes shut. Pinky Standiford is starring in professional football, featuring the neat trick of blocking six men at once.

Joe "Bing" Calderon is making a movie, after his great success as a crooner of ballads written by Earl Evors, and it is said that he will team up on the radio with those two sisters, Consuelo and Concepcion Rico, who have made their names a household word by their melodious manner of interpreting Spanish melodies of their own composition.

Dean Walker, after winning the Davis Cup single-handed for the United States, has turned professional under the wing of Promoter Juanita Weddington, and will tour the country playing a series of matches with the second Helen Wills, Laura Benedict, who is being coached by the tennis authority, Billy McGregor. An additional feature of this tour will be demonstration ping pong matches under the management of Lester Tilson. The teams include such well-known favorites as Denby Noble, Garland Moore, Clarence Snyder, and Lawrence Pearson, who can play on both sides at once.

Walt Tilson, the eternal bachelor, sits at home with his pipe, his dog, and his gout. He is disturbed only by frequent calls of Ray Dossey, of the New York Times, who seeks interviews with Walt as to his recollections of high school days.

John Lee Allen, having deserted the ranks of the future farmers at last, formed a hot swing-band with Pasquale Corselli playing trumpet, Jean Chuton hammering the piano, Inez Olufson banging the drums, Eleanor Nelson on the torrid saxophone, Dorothy Wilson with her magic marimba, and last but not least, Doris Gorrell tooting on the clarinet. If you thought Benny Goodman was a good man, you should hear Doris!

Mary Ganahl, in accordance with 100 per cent requests, has remained her own sweet self and is aided in this to a great extent by Don Bridenstine, the ballet dancer.

The last view I get as the vision fades is Leora Agee balancing the nation's budget as its first woman secretary of the treasury, with Dorrit Watson keeping figures straight for her.

The vision completely fades and I see no more.

The End

Senior Class Will

We, the class of 1937, being of sound mind (considering what it has gone through), do hereby, largely as a gesture, declare this to be our last will and testament.

I, Kenneth Ryecraft, leave my artistic hair cut to Delbert Cleveland.

I, Gayle Anderson, bequeath my gossip column in the Ko-Hi-Nur, "I Only Heard", to Virginia Norton.

I, Georgia Belle Borden, thank the school for the use of my scholarship pin, and sadly leave it for the use of Charles Sutter.

I, Peggy Straszacker, leave my love for cutting classes to Maudie Clark.

I, Arno Heying, bequeath my wavy blonde locks to Marian Hendrickson.

I, George Prentice, bequeath my senior sweater to Bob Otto.

I, John Lee Allen, leave my long legs to Wendell Ogden, so Fat Corona may win the Marathon next year.

I, Denby Noble, leave to Lawrence Key all my ways of winning the attention of the fairer sex.

I, James Standiford, will my Model A Ford to Ned Willis.

I, Dorothy Chambers, bequeath my copy of "Proof Why Gentlemen Prefer Blondes" to Jeannette Shepard.

I, Edith Graham, will a one-half interest in my boy friend to anyone who will look after him well.

I, Walter Tilson, bequeath my superior knowledge of Physics to the class of 1938.

I, Leora Agee, will my speed in typing and shorthand to Lorraine Conklin. With these added abilities, she should break the world's record.

I, Lawrence Pearson, bequeath my farm knowledge to James Hill.

I, Austin Ranney, will my smooth way with the debate judges to Robert Hampton, in order that he may continue the great Ranney tradition.

I, Jane Painter, wills to no one my boy friend from Reno. He's mine for keeps.

We, Billy McGregor and Robert Bomar, leave our combined be'gnt to Gerald Cummins.

We, June Spence, Mabel Hase, and Vera Paynter, leave our library on "Rainfall in Southern California" to Mary Jane Copley, to aid her in further research on the subject.

I, Joe Calderon, will my mellow voice to Dan Vaughn.

We, Don Bridenstine, Russell Murphy, and Lester Tilson, bequeath our basketball ability to Wilbur Joy and Joe Daneiri.

I, John Cunningham, leave to Barbara Root my southern drawl.

We, Consuelo and Concepcion Rico, leave our place in the Scholarship Society to Pasquale Muratore.

I, Jean Beggs, bequeath my ability to work hard to Anna Marie Menefee.

I, Jean Clinton, will my artistic touch to Anita Seelye.

I, Pasquale Corselli, bequeath my interest inorses to Sammy Agins. He really should cultivate a new interest of that sort.

I, Doris Christian, leave my curly locks to Keith Cunningham.

We, Mary Britt, Flora Mae Brooks, and Laura Benedict, bequeath our school girl smiles to the sophomore class.

I, Gerald Chaffin, will my gentlemanly qualities to the rough necks

of the class of 1938.

I, Tony Bollero, bequeath my front seat in the assembly to Jay Baker.

I, Mary Crippen, will my cooking ability to Miss Hutchinson.

I, Melvin Jackson, leave my good behavior to Junior Longe.

I, Mary Ganahl, bequeath my sunny disposition to the faculty, to be distributed among them as needed.

I, James Stewart, leave my knack for writing copy as editor of the Ko-Iti-Nur to next year's staff.

I, Billy Newhouse, bequeath "Science" to Jimmie Harper. This bequest has the hearty endorsement of the faculty.)

I, Lois Walker, will my soft voice to Terry DeBeal.

We, Caroline Keith and Dorothy Paden, bequeath our red fingernail polish to Jean Adams.

I, Dorothy Wilson, will my red hair to Phyllis Root.

I, Dean Walker, bequeath my knack of looking the women to my namesake, Gwin, so that he may carry on the Walker tradition when I am gone.

I, Earl Evors, will to Edward Larkin my treatise on "The Art of Skidding".

We, Inez Olufson, Jennie Belle McClelland, Juanita Weddington, and Dorrit Watson, will to Ellen Friestad and Maxine Moore all our knowledge of this year's library gossip.

I, Travis Lund, leave my looks to Clyde Stanfield. It's great to have curly hair.

I, Robert Meierding, will all my track letters and medals to Wilbur Joy

We, Garland Moore, Roy Hardison, and Clarence Snyder, leave our job as stage crew to anyone who is clump enough to take it.

I, Hovis Bess, will my manly vigor to Billy House and Bob Nentzman. There's enough for both of them.

I, William England, bequeath my "Balboa Stomp" to Joe Ganahl.

I, Ray Dossey, leave my job on the paper to several people.

I, Dale Crickette, will my sense of humor to Raymond Harris.

I, Doris Gorrell, leave my excess avoirdupois to Joe Daneiri.

I, Richard Fitch, bequeath my Hi-Y pin to any junior girl who will wear it.

I, Brian Mahoney, and I, Frank Porter, leave the nicknames which we have acquired to anyone who deserves them. We prefer others.

I, Leo Lyons, leave my Swedish dialect to Gloria Tucker. Just a little something to remember me by.

I, Remi Chagnon, will my baseball technique to Ted Anderson.

I, Earl Collings, will my shyness to Robert Gehring.

I, Robert Francisco bequeath my social notebook to Louis Keller.

I, Lupe Cervantes, will my calmness to Norma Noble.

I, Barbara Ann Brownfield, will my electrical knowledge to Leland Cole.

I, Robert Honor, leave my job as general handy man to Charles Henry Jameson.

I, Eleanor Nelson, leave my place in the commercial department to anyone who would be useful there.

I, Lucinda Mitchell, leave my blonde complexion to Clement Todd.

We do hereby affirm this to be our last will and testament and we do further appoint the class of 1940 to be executors of this instrument, hoping that all bequests will be carefully carried out. Done in our presence, this first day of June, in the year of our Lord one thousand nine hundred and thirty seven, at Corona, Riverside County, State of California.

Juniors

CLASS HISTORY

In 1934 this class began its career at Corona Union High School as freshmen. The year was highly successful. For Lemonville, the then freshmen, presented an original skit entitled, "The Mortgage", which was received with great acclaim. They were well represented in athletics, music, and the Scholarship Society. The next year as sophomores they continued this outstanding record. They gave a very interesting skit for Lemonville and also a good assembly program. A great number of the leads and also choristers in the operetta were from this class.

In their junior year, the class gave a thrilling play, "The Thirteenth Chair", for their class offering. Their contribution to Lemonville was "Bill Nill, the Pet of the Plains". The record begun, as freshmen, as good athletes, and students was built even higher by the exploits of these juniors during the school year 1936-37.

CLASS HISTORY

As the Indian creeps from his hiding place and the lion from his lair, so the Freshman class stole forth from "back stage" and emerged as Sophomores. They still must sit and view with disgust and scorn the slow and feeble strides of the Juniors and Seniors as they saunter out of the auditorium.

Their day, however, is dawning.... They have always excelled in athletics as their Freshman year will testify. This year the boys have won acclaim in basketball, track, and tennis, while the Sophomore girls have carried off hockey and volley ball championships. They are also well represented in the Scholarship Society and hold three of the four offices. They are quite proud of their two members of the debate team who helped Corona win the League championship.

As they were the largest class to enter high school, it is natural that they should do better and finer things for the school. We only hope that they will develop an even greater supply of initiative so that we will be able to leave a class such as that of '39 to step into the limelight and carry the heavy burden that comes with higher responsibility, when the classes of '37 and '38 have gone forth.

STUDENT BODY

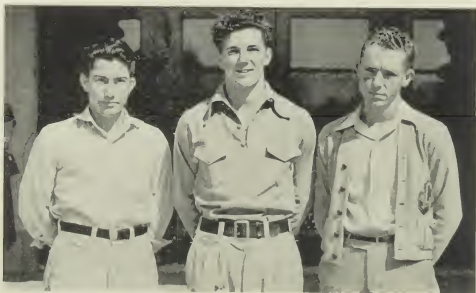

The Student Body Executive Board for the year 1936-37 was faced with the very important task of supporting an extra-large budget with less revenue from student body tickets than in former years because of the absence of 150 freshmen. This problem was handled satisfactorily in such ways as the combined Lemonville and Class night which was a notable success despite adverse weather conditions, and the successful student body ticket sales drive. Because of the splendid work of members of the board, and the cooperation of the student body, a surplus will be turned over to next year's treasurer.

Such new features as the Pay assemblies, and legislation concerning the right to revoke student body privileges were handled successfully by the Board, and Mr. Hatfield, faculty advisor.

The spirit of cooperation among the students, though a trifle lax at times, was generally manifest throughout the year, and greatly aided the Student Body in its work.

BOYS FORUM

In 1935 under the direction of Mr. Hill and Mr. Thome, the Boys' Forum was organized. It proved such a great success that it has been continued this year and probably will continue to flourish in the future. The purpose of this club is to better the feeling among the boys and to acquaint them with many varied subjects. At the first of the year, a committee was appointed by the President, Hovis Bess, to decide what kinds of programs would prove the most interesting and worthwhile. Any member of the forum is welcome to give suggestions to the members of this committee and the committee in turn does its best to provide that type of entertainment. The programs of this year have been exceedingly interesting as well as beneficial. These have all been heartily enjoyed and the members are all looking forward to even bigger and better programs during the ensuing year. One of the most interesting programs this year was put on by various local business men. It consisted of talks on various vocations, some of which were illustrated with interesting pictures.

If the same type of enjoyable and wholesome entertainment is continued, the Boys' Forum will undoubtedly be one of the most popular boys' organizations in the school.

GIRLS LEAGUE

When the Girls' League originated in 1922 under the auspices of a Girls' Student Welfare Committee, it was quite different from our present organization. It was founded to solve the problems of the high school girl. In 1923 this group was changed to the present Girls' League with the help of the Pasadena High School. It has not changed much since then. Its chief purpose now is to aid the girls financially and maintain high standards for them to follow. Their motto is loyalty, charity, honor, courtesy, fellowship, and service. It fosters the idea of service for others and donates to welfare groups each year. In order to finance this work, they conceived the idea of having Hi-Jinx which has been in the form of carnivals, plays, dances, vanderbilt shows, pantomimes, and operettas. This idea, having been started in 1923, has become one of the oldest of our school traditions.

Hi-Jinx this year was presented on December 11. A charming operetta was presented. Into the operetta was woven the crowning of the queen. Barbara Brownfield was chosen queen because of her outstanding character, citizenship, scholarship, and personality. The Queen's colorful procession consisting of Maids in waiting, petite flower girls, and customary guards, filed down the aisle to the stage where, after the coronation ceremony, they presented many delightful dances. The leading roles in the operetta were taken by Leonore Colburn, Dora Smith, Doris Christian, Flora Brooks, Lois Terpening, and Eleanor Everett. After the program in the auditorium, a dance was held in the study hall. The whole affair was highly successful and the proceeds were used for welfare.

CORONAL STAFF

With the 1936 Coronal continually before them as a reminder of the high goal toward which they were striving, the members of the staff have worked faithfully to bring this year's annual up to the same high standard. I should like to express my sincere appreciation for the assistance which they have so generously given.

One of the most valuable and dependable members of the staff was Ellen Friestad whose work included the writing of a major part of the copy. She was ably assisted by Margaret Dixon. Dorothy Rawson has kept a faithful record of the year's events as recorded in the Daily Post. An annual this size was made possible by the successful solicitation of the business men by Terry DeBeal, advertising manager. Ellen Clare Nichols, Frances Neely, and Phyllis Root contributed to the humor division. Anna Marie Menefee is responsible for the horoscope whereas credit for the snap shot section goes to Earl Collings. Jeanette Shepard proved very efficient in managing the annual sales. No staff is complete without someone to supervise the business. This task was ably performed by Frank Porter, our business manager. Accuracy in identification of students in pictures made Dale Crickette invaluable to us. The cover is the result of Anita Seelye's work and talent.

Special recognition should be given to Jean Clinton who ably assisted by Marjorie Hobbs, spent hours drawing the beautiful full page bird panels and also the smaller birds in the subdivisions. We are very appreciative of the efforts of the many students not on the staff who helped in painting these. The collection and arrangement of Senior activities were carefully worked out by Barbara Brownfield who also assisted with the snapshot section. We are very much indebted to Hovis Bess who acted as boys' sports writer. There are any number of other people both on and off the staff, who either individually or collectively have contributed to the final production of this annual. However, lack of space necessitates my combining individual mention to the heads of the various departments.

You many students who prepared write-ups were good sports to cooperate so. I hope we have rewarded your efforts by an annual which is pleasing to you. I should like also to express my appreciation to Mr. Hoffert and Mr. Pauly of the faculty whose ready assistance was always most freely given. To all others who gave helpful suggestions and encouragement in the preparation of the 1937 Coronal, I am sincerely grateful.

BARBARA ROOT,
Editor-in-chief.

KO-HI-NUR STAFF

The most responsible student position on the Ko-Hi-Nur staff is that of Editor-in-Chief. His duties are varied, but a great part of his work is spent on arranging the dummy, making assignments, writing headlines and working on the first two pages. He must also check all pages and see that they get to the printshop in good shape and plenty of time for publication.

The assistant editor takes charge of staff meetings if the editor is absent, but most of her time is spent in copyreading all material that is to go into the paper.

The second and third pages have changed hands a great deal this year in order to give various members training in page make-up. The sports editor has charge of the last page and is responsible for headlines, arranging the page, writing stories, and arranging the dummy for it.

The officers of the staff are as follows: Editorial Staff—Jimmy Stewart, editor-in-chief; Jean Beggs, assistant editor; Laura Benedict, editorial page; Consuelo Rico, features editor, and Ray Dossey, sports editor.

The Business and Production Staff consists of a business manager, Wendell Ogden; assistant business manager, Bill House; and circulation manager, Richard Fitch.

The make-up and press work is done by the printing students with L. A. Pauley as advisor.

DEBATE

Corona High's defending state champions opened their season by tying San Bernardino for the championship of the Citrus Belt League. Six debates were won, two lost with eighteen decisions for and eight against. Questions debated were, "Resolved that National Advertising is detrimental to the best interests of the American people", and "Resolved, that all electrical utilities should be governmentally owned and operated."

The affirmative team was Robert Hampton 1st speaker and Austin Ranney, 2nd speaker. The negative team was Marjorie Mueller, 1st speaker and Austin Ranney, 2nd speaker.

The defense of the State title will be made at Redlands University on April 16-17.

Scores of the Citrus Belt League debates were: Corona 1, Covina 2; Corona 3, Pomona 0; Corona 1, Redlands 2; Corona 3, Colton 0; Corona 3, San Bernardino 0; Corona 2, Riverside 1; Corona 2, Colton 1; Corona 3, Redlands 0.

SCHOLARSHIP SOCIETY

Since its beginning many years ago, the Corona Scholarship Society has shown a marked increase in membership and it is now a member of the California Scholarship Federation. It consists of members who have won at least ten points, eight of which were won in scholastic studies. One of its most important functions is to help in the raising of the fifty dollar scholarship which is given each year to a member of the graduating class, thus the matinee dances. Twice a year they are responsible for an assembly program and at this time the pins are awarded, and they are also given their privileges, the most important being the free study periods.

The sponsors of the Scholarship Society are Mrs. Hazel Hyatt and Miss E. I. Brown. The second semester officers are: President, Robert Hampton; Vice-President, Elema Townsend; Secretary, Marian Hendrickson; Treasurer, Lucille Johnson.

G. A. A.

The Girls' Athletic Association is composed of girls from all three grades who have won the required hundred points. These points can be won by making a class team in any major sport. Additional points are received for making a class team, or acting as manager for any particular sport. Numerals are awarded to each member of the championship team in every sport. After winning five hundred points, the girl is awarded a letter. The G. A. A. have had many social events this year, among them being a banquet where they were royally entertained by regular Harlem girls and Harlem Swing Band. In addition there were many special vocal numbers and solo dances. After the banquet dancing was enjoyed. They also had a slaying party, and a picnic and swim at Glen Ivy. This year the G.A.A. has been particularly active. In addition to having many more social events they held a G.A.A. day when all "G.A.A.ers" appeared in those new white G.A.A. sweaters adorned with letters, numerals, ribbons and other awards. On this day they also presented a very unique and humorous program for the benefit of the student body.

The G.A.A. organization has certainly stepped out into the limelight this year and has proved to be very active and worthwhile association. The officers for this year were as follows: President, Dorothy Chambers; vice-president, Virginia Norton; secretary and treasurer, Peggy Straszacker; publicity, Betty Agins; program chairman, Dorothy Wilson.

HI-Y

"To create, maintain and extend throughout the high school and community a high standard of Christian character," is the purpose of this club. It is the high school branch of the Young Men's Christian Association. The Hi-Y not only assists in various student body activities but also promotes good comradeship among its twenty-five members.

The meetings are held once every three weeks. Of the informal meetings, the swim and steak bake at Glen Ivy were the most outstanding. Of the formal meetings, Ladies' Night and the Father and Son dinner are in the limelight.

The officers of the Hi-Y are as follows: Robert Meierding, president; Brian Mahoney, treasurer; John Lee Allen, secretary; Mr. Booth, sponsor; Front Row: Wendell Ogden, secretary; Walter Tilson, vice-president; Bill Newhouse.

GIRL RESERVES

This year the Girl Reserves have been around forty-five in number, and have indeed enjoyed a highly successful year. The Girl Reserves, or High Tri, is the high school branch of the Young Women's Christian Association, its main purpose being to create a more friendly feeling among the girls of the high school. The theme for the meetings this year was built around the titles for outstanding books. For example: their annual hike was suitably called, Call of the Wild, their Dad-Daughter banquet, Her Father's Daughter, and many others equally suitable and interesting. Each meeting had some name. In addition to having many good times they help spread good cheer by doing welfare work especially at Christmas time. They have adopted a little country school at Ferndale consisting of twelve students from first to eighth grade which they visit annually. The two main events this year were the annual spring formal dance, "The Great Waltz", the Dad-Daughter banquet and recognition service at the Mission Inn.

The officers this year are: President, Doris Gorrell; Vice-President; Mary Joy Jameson; Secretary, Ellen Priestad; Treasurer, Gloria Tucker; Program Chairman, Marian Hendrickson; Social Chairman, Mary Jane Copley; Publicity, Jane Painter; and Posters, Anita Seelye. The sponsors are Mrs. Hazel Hyatt, Miss Lucy McDougald, and Mrs. E. L. Toolen.

LETTERMAN'S CLUB

The Lettermen's Club is a club composed of boys who have won a letter in any sport. The officers for this year were: President, Dean Walker; Vice-President, Wilbur Tomer; Secretary and Treasurer, Wilbur Joy.

Lettermen winning letters in tennis are: Dean Walker, Lawrence Key, Bill McGregor, Bill House, Joseph Ganahl, and Keith Cunningham.

Baseball Lettermen are: John Cunningham, Lester Tilson, Ted Anderson, and Wesley Schneider.

Basketball Lettermen are: Joe Danieri, Don Bridenstine, and Russell Murphy.

Track Lettermen are: Wilbur Joy, Hovis Bess, Frank Porter, and Jack Murray.

Football Lettermen are: Kenneth Kilday, Bob Snyder, Wilbur Tomer, Dan Vaughn, and Tony Deleo.

Managers are: Austin Ranney and Pasquale Muratore.

FUTURE FARMERS OF AMERICA

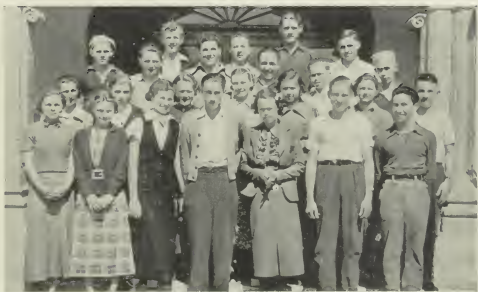

In these days of keen competition, farmers, as well as workers in any industry, must organize and work together for the solution of their common problems. To develop leadership and the spirit of cooperation, there has been organized "The Future Farmers of America", a national organization of boys studying Vocational Agriculture in high schools in every state in the union. There are 150 Chapters of Future Farmers in the high schools of California. Membership is voluntary, and about half of the quarter million boys enrolled in California are members of the organization.

The local unit is the chapter formed in the high school vocational department. It is sponsored by the high school board of trustees, just as any other school organization. The chapter advisor is the Agriculture teacher, or one of the teachers of a large department. The state organization is sponsored by the state department of education. The national organization is sponsored by the federal office of education, and the national advisor is the head of the Vocational Agricultural Service in the Federal Office of Education. Being a high school organization into which new members come as boys enrolled for Agriculture, and from which older members graduate, the Future Farmers of America has solidarity and permanence which enables its chapters to own cooperatively goods and livestock for the improvement of agriculture. Each state holds an annual convention, while the National Convention is an event in connection with the American Royal Livestock show at Kansas City.

SENIOR PLAY

"The Poor Nut" was presented as the Senior Class Play this year. On February 26, a large crowd gathered to watch this comedy of modern youth in college unfold. It was a semi-tragic story of a bookworm with an inferiority complex. Everyone called him the Poor Nut. His great ambition was to be admitted into the fraternity of the campus leaders. Finally this ambition was realized through the combined efforts of Margerie Blake, a co-worker in the college book-store, and Julia Winters, a beauty from another school who has been receiving love letters from the Poor Nut. He won the track meet for Ohio State. Then he was accepted into the fraternity and lost his inferiority complex.

Frank Porter played this part in a very convincing manner. Georgia Belle Borden took the part of Margerie Blake. Juanita Weddington and George Prentice shared top honors in almost stealing the show in the roles of Julia Winters and Maggie Welch. Other characters were Brian Mahoney, Bob Honor, Gerald Chaffin, Leo Lyons, Hovis Bess, John Lee Allen, Earl Evors, Arno Heying, Edith Graham, Doris Christian, and Flora Mae Brooks. The student director was Jean Beggs and the electricians were Barbara Brownfield and Billy Newhouse. Stage committee was made up of Clarence Snyder, Bob Honor, and Earl Colings. The tickets were in charge of Mary Ganahl, while publicity was taken care of by Dorothy Chambers and Jean Clinton. The whole performance was highly successful. The audience enjoyed the track meet which consisted of a few rounds around the auditorium. Another remarkable feature was the four changes of the set.

JUNIOR CLASS PLAY

The Junior class presented "The Thirteenth Chair" which is a very thrilling mystery, on November 20. The most outstanding feature was the professional manner in which it was presented.

The story centered about a murder of one of the Crosby's guests. It occurred during a seance in the dark. Immediately everyone was locked in the room and kept there until the police arrived. The gruff inspector (Robert Tilson) questioned all present and openly accused Helen O'Neill (Virginia Norton), the daughter of the spiritualist, (Barbara Root). There was one drawback, however, the weapon could not be found and Madame La Grange was given a short time in which to prove her daughter's innocence. She does so in a smashing climax, by discovering the weapon and exposing the real killer. Great credit for the successful performance is due Barbara Root who very ably portrayed the difficult role of the aged, Madame La Grange. Those playing leading roles were: Virginia Norton as Helen O'Neill; Wesley Schneider as Will Crosby; Mary Joy Jameson as Alice Crosby; Leland Cole as Phillip Mason, the murderer; and Harold Sullivan as Roseoe Crosby. A cast of seventeen participated. Very effective scenery in the modernistic style and unusual lighting and sound effects gave a finished note to the production.

The student directors were Marian Hendrickson and Maxine Moore. The stage crew was headed by Earl Collings, his assistants being Will Henderson, Elden Veach, Clarence Snyder, and Bill House. A great deal of praise is due the director, Sam Winters Ettleson, for the great success of this production.

After the performance, members of the cast enjoyed a truck ride to Glen Ivy where they had hot dogs and other victuals.

LEMONVILLE

In 1909 the school board decided that the parents and friends should have an opportunity to see how the Corona High School operated. An evening was set aside for this purpose and ten minute classes were held. Chairs were placed around the room for visitors and sample classes were conducted. After the recitations, refreshments were served, and Lemonville was over for the year. This custom continued with minor changes, until the War, when the practice was stopped for a few years.

Later, it was revived in the form of a carnival with short plays, refreshment booths, side shows, etc. The idea was again changed about ten years ago, when each class presented a short play. For the past few years a cash prize has been awarded to the class giving the best performance.

This year the Sophomores were the lucky winners, their selection being "Gone With the Century". Added to the skits was a carnival similar to those held ten or fifteen years ago, and, in spite of the heavy rain and inclement weather conditions, Lemonville for 1936 was considered the tops. Among the traditions of the Corona High School, Lemonville is the oldest, best-known, and deservedly the most popular.

Music

A CAPPELLA CHOIR

The A Capella Choir has enjoyed early morning sings this year for the rehearsals were before school every Wednesday and Friday morning. This choir has participated in the annual Christmas program, sacred concert and has several future events scheduled for this year. They have worked on hard pieces and have done them exceptionally well and is now considered one of the best of the many growing units of the Music Department. Barbara Root served as the president for the first semester and Vera Paynter for the second semester.

John Lee Allen was president of the Boys' Glee Club for the first semester. Most of the time during the first of the year was spent in learning new pieces for we had only a few outside engagements, but during the next semester there were many activities and events for this alive organization. Terry DeBcal served as president for the second semester and Pasquale Muratore was secretary for both semesters.

BOY'S GLEE CLUB

The fellows enjoyed a season of hard work on selections by Bullard, Clokey, Daggett, Flagler, Friml, Herbert, Gulesian, Maunder, Manning, Scott, Sullivan, Romberg, in addition to sea ballads, and spirituals. There have been many activities and much fun for this peppy group.

GIRL'S GLEE CLUB

This year the "Girls' Glee Club" was composed of approximately twenty-five members. They have learned many secular and also several sacred songs such as, "The Lord's Prayer" and "Send Forth Thy Spirit". They have worked on many four-part songs as well as those of three-parts. The club has made many appearances in Corona and outlying communities such as Norco, Prado, and Eastvale. They have taken part in many student body programs and certainly proved a valuable addition. The attitude of the girls this year was particularly outstanding, each one working hard for the improvement and success of the Club as a whole. In addition to furnishing good music at various programs and recitals they have enjoyed many social gatherings. Taken as a whole, they have had a most enjoyable and successful season, and are eagerly looking forward to an equally worthwhile season next year.

THE CADMAN CLUB

This club was organized to help develop and foster a better understanding of music in Corona Union High School. The name was chosen because Mr. Cadman is a composer of all types of music. A beautiful charter, the work of Gilson Grey, was signed by the members at their initial banquet held April 9th. This club is sponsoring a series of concerts for the school districts which are in our Union High School.

Mr. Cadman was unable to be present for the banquet but wrote us an explanatory note voicing his appreciation of the club and the hope to meet with us at a later date, and approving of the desire of the club members to get better acquainted with American music from our American composers.

ORCHESTRA

One of the most important organizations of the of the Student Body is the orchestra under the direction of Mr. Franklin. For many years it has played a leading part in school activities and has done much to add to the enjoyment of our programs. Probably there is no other group that has contributed so freely of its talent for the enjoyment of the school. Before the curtain rose for the first acts of *Lemonville*, *Hi-Jinx*, *The Poor Nut*, and *The Thirteenth Chair*, the audience was royally entertained by tuneeful melodies played only as Mr. Franklin and his orchestra can play. Many times it has played while students patiently awaited the arrival of an unavoidably detained speaker. The orchestra also sponsored the very unusual assembly featuring Mr. Grey and his flutists. On May 20 they gave their annual concert with piano and cello concertos.

Much praise and thanks are due Mr. Franklin for the splendid work they have done this past year! The following are the members of the orchestra: Standing—Mr. Neutzman, librarian; Hazel Millbank, string base; Keith Cunningham, trumpet; Wendell Ogden, trumpet; Raymond Harris, trumpet; Robert Neutzman, trombone; Morrell McDonald, trombone; Richard Fitch, baritone; Linton Bascom, tuba; Mr. Franklin, director; Seated (left to right) Barbara Root, piano; Lois Terenue, clarinet; Milton Wishart, clarinet; Harvey Maek, violin; Rupert Thompson, violin; Dorothy Kellin, violin; Bessie Smith, violin; Caroline Snyder, violin; Virginia Bess, violin; Arno Heying, drums; Tom Barber, drums. VARSITY FOOTBALL

Coach's Lawrence Thome and Raymond Mahoney deserve a great deal of credit for their fine coaching up till the time of Coach Jesse Hill's arrival from Big League baseball wars.

Corona varsity literally lied the pants off their first three opponents. Perris fell first to the tune of a 32-0 defeat. The Riverside Sophs were the next in line, being defeated with a score of 32-0. Corona finished her practice season undefeated and unscored upon but tied by Chino in a poorly refereed game. Highlights of these practices were sensational runs by Captain Bess, outstanding blocking by Joy and "Pinky" Standiford and wonderful defense by Dan Vaughn and Garland Moore. Kenneth Kilday was also a standout on defense.

The first league game played at Citrus was won by Corona 19-0. All scores were made in the second half. In the second game, at Pimente Corona suffered defeat for the first time, the score being 12-6. Colton next defeated Corona 13-8. Fight was shown by the Panthers who scored eight points in the last eight minutes. A pass, Bess to Evors, accounted for the only touchdown. Downey, League champions, were played next at Corona and although the latter was defeated, Captain Bess's run to touchdown was the first scored on Downey.

Claremont was easily walloped the following Friday by a fighting Corona varsity 38-0. The last game with Bonita was lost 20-6 on Bonita's field. In a Thanksgiving Day game Corona defeated Elsinore 56-0. Captain Bess scintillated with five touchdowns.

Three boys made all conference, Captain Bess at half, Garland Moore at guard, and Dan Vaughn at second string tackle.

X FOOTBALL

With a new coach, Orville Brooks, at the helm, Corona's X team, captained by Boyd Rasmussen, went through a fine season, being defeated once, tied once and finishing in second place behind Chico. The first game with Citrus was won 13-7 with Capt. Rasmussen and Co-Captain Joe Ganahl being outstanding. The second game with Puente was won in the same manner, 12-0, with marvelous defense work by the whole team. Corona next defeated the Colton aggregation by a score of 13-0. A long run by Co-Captain Ganahl was the highlight of the game.

Corona met their first and only defeat at the hands of the Downey team. Corona was weakened by the loss of Joe Ganahl who was out with a sore leg. Claremont was defeated 14-7 by a fighting bunch of panthers in a very slow game. In the last game of the season Corona was tied by Bonita 0-0 although Corona outplayed the Beareats. In a practice game with Chico, the League champs, Corona won 12-0 which shows that Corona had a fine team.

A BASKETBALL

The Varsity Basketball team, captained by Lester Tilson, surprised everybody, including Coach Thome, when they defeated their first four opponents, Claremont 25-24; Citrus 32-17; Puente 30-23; and Bonita who was unbeaten up to this time by a score of 17-13. Colton was the victor of the next game, the score being 42-23. Joe Danieri was particularly outstanding in playing. Downey was encountered next and Corona was defeated by a score of 27-17.

Corona as usual won the Riverside County Championship for which they received a handsome trophy. Murray, Joy, Danieri, and Tilson were the outstanding men on the team.

SNIPES, SNYDER, ANDERSON, BROOKS, OLLERMAN, LUNETTA,

B BASKETBALL

Captained by Kenny Kilday, coached by Orville Brooks, and managed by Bill Lunetta, the B team, the pride and joy of Corona High, won the tri-county championship in great style as they were only beaten once by Chino by a score of 12-9.

Leroy Lieb was high point man in all but the Chino game in which Captain Kilday stole that honor from him.

After winning the tri-county championship they also won the Riverside County Championship. Most of these boys will be back next year so Corona is looking forward to a very successful season in basketball next year.

C BASKETBALL

The C team with Jesse Hill as coach and Jimmy Ganahl as captain started the season by defeating Clemont 82-8. They were in turn defeated by Citrus 18-17 in a very close game. Puente next defeated Hill's team 23-15, but the C's came back to win from Bonita 17-13 and Colton 14-10. Chino also fell along the wayside when this snarling pack of panthers beat them 14-13 in a very fast, close game.

Downey defeated Corona in the last league game 5-4 in a very beautiful defensive game.

Standouts for Corona were Captain Ganahl, Gwin Walker, Dan Keller, Dudley Tompkins and Wendell Ogden.

OLSON, BOLIN, LUNETTA, BAUGH, NELSON.

D BASKETBALL

With one of the best guards in the League, Johnny Lunetta, as Captain and coached by C. L. Booth, the Corona D team started off with a bang when they trounced Claremont 28-8. Lunetta and Hearn, two guards, played outstandingly.

Citrus and Puente next defeated our peewee squad by scores of 10-7 and 19-10 respectively. Tony Laporto, second string guard, was very outstanding in these games. Bonita and Colton were both defeated by scores of 17-14 and 22-20 with Captain Lunetta again standing out with his stellar playing. Chino and Downey both defeated Corona in the last two games by scores of 21-10 and 19-16 with Captain Lunetta and Baugh outstanding.

VARSITY TRACK

The Corona Varsity won the Tri-County track meet this year with a remarkable record. This is the second year that Corona has received this honor.

Corona took eight places, six of them being firsts which made the score total thirty one and one fifth points. Claremont took second with twenty-five and one half points. The others finished in the following order: Citrus, Colton, Bonita, Chino, Puente, and Downey.

Hovis Bess took two firsts in both the 100 and 220 yard dashes. He broke the former records in both events but as a small wind was at his back, they were not counted.

Captain Frank Porter won the half-mile in two minutes and seven seconds. Dean Walker in a fourth lap spurt passed his four opponents and won the mile by two yards. Wilbur Joy won the broad jump with a jump of twenty-one feet, one and one-half inches.

The other two places brought in one and one-fifth points. Jack Murray finished fourth in the high hurdles, and Robert Francisco tied for fourth in the pole vault. The relay team of Murray, Porter, Joy and Bess came through for another win when Bess passed two rivals on the anchor lap.

Capt. Porter, Wilbur Joy, Jack Murray, and Hovis Bess entered the invitational track meet at Chaffey. Porter placed third in the 880, and Bess placed second in the 100 yard dash and won the 220 in 21.6 seconds to break his old record of 21.9. Joy and Murray both failed.

These four boys and Joe Ganahl are all entered in the Southern California meet to be held at Long Beach, May 16.

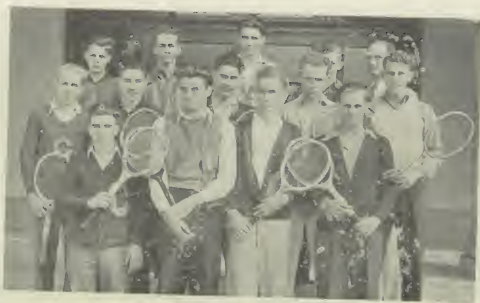

WALKER, GANAHL, CHANCE,
HARVEY, TOMPKINS, NICKELSON, RATHBONE, CRIPPEN,
HEARN, ROBINSON, HIGGINS, HARDISON, EDWARDS.

X TRACK

Due to inexperience more than anything else, the Corona High's X track team, coached by Mr. Booth, failed to place in any event in the annual Tri-County meet. Most of these boys are from the Junior High and show much promise for future Panther teams.

Outstanding sprinters were Rathbone, Eddie Hearn and Chuck Robinson, while the outstanding field men were Crippen, Walker, Ganahl. The outstanding distance runners were Packem and Dud Tompkins.

In the relay Robinson ran first, Hearn ran second, Higgins third and Rathbone finished last. Although these boys failed to score a point in the Tri-County meet the experience will do them all a world of good and who knows maybe next year. . . .!

BOY'S TENNIS

Believe it or not, the Corona Union High School boys tennis team did not win the champions'hip as per usual this year. They lost the crucial game to Colton, 15-10. Hunter of Colton defeated Laurence Key 6-3, 5-7, 6-4. White and Roberts defeated Billy McGregor and Keith Cunningham 6-3, 6-1 in the best doubles game. Dean Walker, playing second singles, defeated James of Colton 6-4, 6-4. Bill Patterson and Wilbur Joy won the second double, 6-1, 6-1. John Cunningham won third singles 7-5, 6-4, and Billy House won fourth singles 6-0, 7-9, 6-3.

The other league scores were as follows: Claremont 2, Corona 23; Citrus 12, Corona 13; Puente 0, Corona 25; Downey 11, Corona 14; Bonita 13, Corona 12.

In an inter-squad match, with the individual losers having to treat the individual winners to a feed, the results of this match, with some surprising scores, were as follows: Key beat Clark 6-0, 3-6, 6-3; Walker lost to Root (my), 4-6, 9-7, 6-4; J. Cunningham lost to Townsend 4-6, 6-2, 7-5; Joy beat Hinscheid 6-4, 6-1; Joe Ganahl beat Nugent 3-6, 7-5, 7-5; W. Snyder lost to Krick 6-0, 6-4; Cole lost to Wallis 6-3, 6-1; and in the doubles matches Keith Cunningham and Bill McGregor won from Menfes and Dickson, 6-2, 6-3; Bill Patterson and Bill House beat Root and Miller 6-0, 6-0; and Dick Murphy and J. Ollerman beat Johnson and Rawson 6-4, 3-6, 6-3.

Next year's team looks to be a sure winner, according to Coach Vaile, as the only loss by graduation will be Dean Walker and John Cunningham.

The Corona High baseball nine, coached by Orville Brooks, made up in spirit what they lacked in numbers. Every one of the players had more or less some experience playing ball and a fast, hard hitting nine, captained by Johnny Cunningham was the result.

Members of the first string are: catcher, "Delbie" Cleveland; pitchers, "Pinky" Standiford and "Bus" Tomer; first base, Neal Snipes; second base, Ted Anderson; shortstop, Capt. John Cunningham; third base, Bob Ghering; left field, Lester Tilson; center, "Turk" Joy, and right field, Jay Baker.

After a mediocre practice season, the first league game was played with Claremont. The game turned into a track meet, as it were, and Corona won 34-3. Standiford pitched. The next game was with Citrus. Corona won the game in the last inning, 7-1. "Pinky" Standiford again pitched. The next game was lost to Puente. Tomer replaced Standiford in the eighth inning and the first man up knocked a home run to win the game, 6-5. The next game with Colton proved to be the crucial game. "Bus" Tomer pitched a very fine game of ball, but lost 2 to 1. In the next game with Bonita, Tomer pitched a shut-out game and won 3-0. The Downey team defeated Corona 4-1 when the Downey pitcher allowed only one hit the entire game. Chino has yet to be played and we hope the game will end in a victory for Corona.

J. V. BASEBALL

Coached by Charles Hancock and Max Nugent, who is also captain, the J.V.'s first string included; catcher, Leo Hayes; pitcher, Paul Fredericks; first base, Capt. Max Nugent; second base, Kenny Baugh; short stop, Jimmy Ganahl; third base, Shenoge; left field, Martin Renfro; center field, Mike Smith; right field, Gwen Walker.

The first game was forfeited to Corona by Claremont. The second game was won from Citrus 6-5. Puente was beaten next, 13-3, and then Corona was mauled by Colton to the tune of 9-0. The J.V.s traveled to Downey very gayly but came back sad and wiser. They lost 12-3. Chino has to be played yet and Capt. Nugent says they hope to end the season with a victory.

Tennis

Tennis

Despite the late start in practice due to the unfinished courts, the girls' tennis team has been very successful in both practice and league matches.

The first practice match was against Redlands here on March 18th which was won by Corona with a score of 14-11. There was a return match March 24th at Redlands which marked another victory for Corona, the score being 25-0.

Then the team played Riverside here, April 2 and won 25-0. Pomona came over April 5 and was defeated by a score of 18-7. April 7, the team played Riverside again on their own grounds and again were the victors. The score was 16-9.

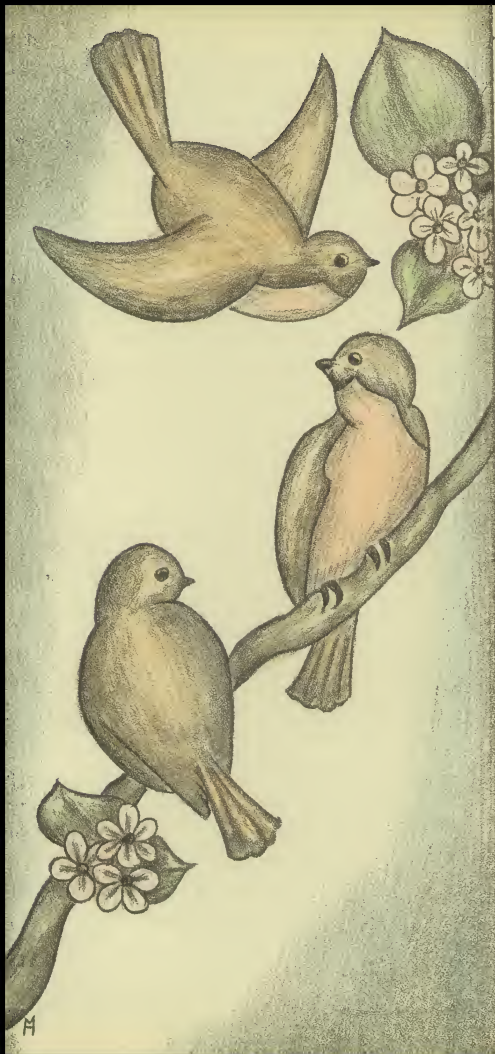

The League season started April 23 with our team going to Citrus and won 18-7. The next match was with Colton here on May 7 and the Coronans won 19-6. On May 14 the team went to Bonita. The game was very close. It was the first time that the Corona girls had played short sets, 11 games at the most. They pulled out with a score of 13-12. There are still two matches to be played, one against Downey and the other against Chino.

The members of the team are as follows: Mandie Clark, first singles; Barbara Root, second singles; Darlene Linscheid, third singles; Elena Townsend, fourth singles. The doubles are first, Anna Marie Menefee and Margaret Dixon; second, Phyllis Root and Dorothy Chambers. Marjorie Mueller, Betty Nugent and Lucille Johnson are the substitutes.

HUMOR

Miss McDougald: "Where was the Declaration of Independence signed?"

Pete Francisco: "At the bottom."

Bob Newton: "You should hear my new radio. Last night I got Mexico."

Dan Keller: "That's nothing. I just opened the window and got Chile."

Phyllis Bickmore: "What are those holes in the floor?"

Mr. Hancock: "They're knot holes."

Phyllis: "They are too."

Miss Jones (in Latin): "This is the third time you've looked on Frances Neely's navel."

Marjorie Mueller: "Yes, Miss Jones, she doesn't write very plainly."

Ivo Lyons: "Are you fond of a joke?"

Gloria Tucker: "Why, I hardly know."

Mr. Vaile: "What is a conductor of electricity?"

Earl Evors: "Why, oh—"

Mr. Vaile: "Correct. Now tell me what's a unit of electrical power."

E. E.: "The what, sir?"

Mr. V.: "Correct. That is the first time you've had your lesson in weeks."

Jimmy Harper: "Yes, sir; and in Chicago I saw a whole trainload of Wrigley's Spearmint."

Austin Pannev: "I suppose it was one of these chew-chew trains."

Mrs. Hyatt: "Why do we put a hyphen in hyphenage?"

Fred Chapin: "For the bird to sit on, of course."

Dorinda Luschid: "How can I make anti-freeze?"

Joy Krick: "Hide her woolen pajamas."

Senor: "Sav, senior, wot kinda cigarettes do you smoke?"

Senior: "Lie? Why I smoke Robinson Crusoes."

Soph: "Wot kinda cigarettes are Robinson Crusoes?"

Senior: "Castaways, dumbell, castaways."

Lois Terpening: "What was the name of the chow you sav last night?"

Boyd Rasmussen: "Asbestos."

Lois: "No. That wasn't the name."

Bord: "Sure it was. It said so on the curtain."

Bob Newton: "You should hear my new radio. Last night I got Mexico."

Dan Keller: "That's nothing. I just opened the window and got Chile."

Elema Townsend: "Leroy Leib blushed when he saw that I was trying to read his face."

Jean Wallace: "That natural. People usually blush when their faces are getting read."

Miss Stewart (pointing to the Tropic of Cancer): "Can you tell me what this is called?"

James Hearn: "Can't sir."

Miss Stewart: "Correct."

Mrs. Tilson: "I want a book for my boy. It's in high school."

Clerk: "How about Fielding?"

Mrs. Tilson: "I dunno. Got anything on hare-running?"

Don Bridenstine: "Why use such a high crib for your baby?"

Mr. Hancock: "So we can hear him when he falls out."

Mary Jane Newsom: "Officer, can you see me safely across the street?"

Officer: "Begorra, lady, I can see you a mile away."

Mary Jane Copley: "Give me a comb without pyorrhea."

Clerk: "Whaddaya mean?"

M. J. C.: "One whose teeth won't fall out."

Miss E. I. Brown: "What effect does the moon have on the tide?"

June Armstrong: "None. It affects only the untied."

Mary Joy Jameson: "Let's play Cinderella."

George Prentice: "Naw, your feet are too big."

Dorothy Wilson: "What are your views on kissing?"

Donald Henson: "I have none. Your hair always gets in my eyes."

Phyllis Root: "What kind is that cut down junk of yours?"

Brian Mahoney: "Oh, just an old 'hen'."

Phyllis: "Oh, you mean a Ford."

Mr. Cunningham: "Why is it you are always at the bottom of the class?"

John: "It's all right, Pop, they teach the same thing at both ends."

Suitor: "I'll give you a quarter, Buddy, if you'll get me a lock of your sister's hair."

Buddy: "Make it a dollar, and I'll get you the whole bunch. I know where she hangs it."

Clayton Wulff: "No. It's been too cold."

Mrs. Hyatt: "Have you done your outside reading?"

HUMOR

AUSTIN RANNEY

We have a student body president,
Most schools do you know,
And what he eats would surely kill
Or lay an average student low.

But not our rolling Austin,
With a stomach made of steel,
(Or maybe made of rubber,
He can put away a meal.

His puns are really awful,
Though his jokes are sometimes fair,
And we all in anguish shudder,
When he stoops to take a chair.
Though citizens in raging wrath
Their presidents have slain,
We'll let ours die a natural death,
That is more humane.

BRIAN MAHONEY

"Up! Brian Mahoney," Sammy blared,
"Defend the name of thy stream-lined
chariot!"
But Phyllis Root with a shrug declared,
"That crate would to a museum add merit."

JOE GANAHL

He goes like a shot as he flips o'er the track,
He runs like a gazelle as he leads the pack.
To victory he brings them, to honors they run,
When Joe's in the game we know victory's won.

TERRY DEBEAL

Oh! Junior class, forgive us yet, lest we forget,
Lest we forget the silence which continues yet
As we see Terry creep across the stage
to place
Some flowers in a beautiful big vase!

MARJORIE MUELLER

Maud Muller on a summer day,
Raked the meadow sweet with hay.
Along came a judge with lots of money
And fell in love with this young honey.
But Marjorie Mueller came riding by
And spoiled that romance with a flick of
her eye.

MARY JOY JAMESON

Mary Joy, tall and strong, is the Junior's
hockey captain;
Her long legs fly across the field,
Making fast and heavy action,
And does she make opponents fall and
yield!

JIM GANAHL

There is a cocky sophomore who swaggers
when he walks,
And is quite self-possessed when he talks,
But we can forgive him for many a falling.
If the ball to the basket, James will keep
sailing.

BETTY AGINS

Black eyes and curly hair, is that what
she is think of?
No, for a U.S. prex she'll some day be
And then this old U.S. will a heaven be.
Oh! You pessimists, wait and see.

BARBARA BROWNFIELD

With dimples in her cheeks,
And a smile upon her pan,
She is the whole school's sweetheart,
We all love our Barbara Ann.

MARGARET DIXON

She's a very good sport,
A good athlete we've seen,
She's good in her studies,
It's Margaret Dixon we mean.

Print Shop

This year's annual, of which we are all proud, could never have reached its successful completion without the capable and experienced assistance of the printshop boys. The composition of the pages is the result of their careful planning. The school spirit and enthusiasm shown by these boys during the last hectic month when getting the annual completed necessitated working hours outside school, often until midnight, is truly commendable. It took weeks to print the Coronal pages, and the printshop gang worked tirelessly and uncomplainingly in cooperation with the Coronal staff. Their work has justified the following assertion:

"But words are things, and a small drop of ink,
Falling like dew upon a thought, produces
That which makes thousands, perhaps millions think."
